

How to Make an Account on Pandora

Pandora is a free internet radio site. To make an account on Pandora, go to Google to begin.

Once you get to Google type in Pandora Radio and then click on Pandora radio.

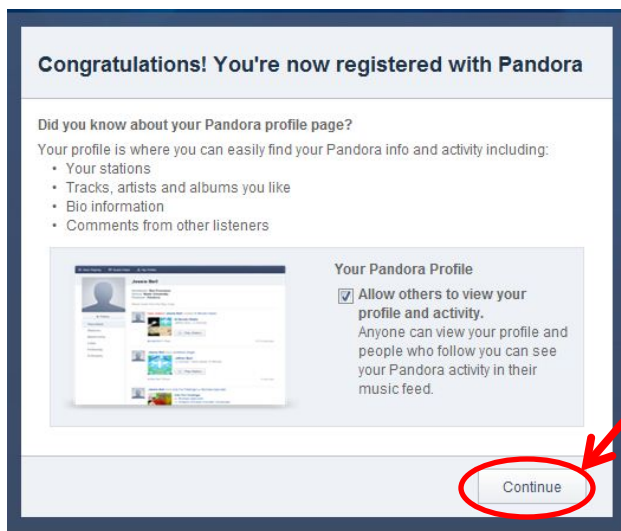

When you get to the Pandora radio site you will see a box like this click on register.

The image shows a registration box on the Pandora website. It has a light blue background and contains the text: "We created Pandora to put the Music Genome Project directly in your hands", "It's a new kind of radio – stations that play only music you like", and a form with fields for "Your email", "Password", and a "Sign in" button. Below the form are checkboxes for "Remember me" and a link for "Forgot password?". At the bottom, it says "Create an account for free. Register". The "Register" button is circled in red, and a red arrow points to it from the right.

Once you get to this box type in your information and click register.

The image shows a detailed registration form on the Pandora website. It has a light blue background and contains the text: "Register for free!", "Create an account to save your stations and access Pandora anywhere.", and a form with fields for "Your email", "Password", "Birth year", "Postal/ zip code", and "Gender". Below the form are checkboxes for "I have read, understood, and agreed to the Terms of Use and the Privacy Policy", "Send me personalized recommendations and tips.", and "Remember me and keep me signed in.". At the bottom, there are "Register" and "Go back" buttons. The "Register" button is circled in red, and a red arrow points to it from the left.

After registering you will see a congratulations box like this, click continue.

A box like this will appear and you have made a Pandora account.
